THANKS FOR YOUR WEB FEEDBACK--WE'RE LISTENING

40 YEARS: CONTINUING A LEGACY OF EXCELLENCE

CENTER *for* PERSONS *with* DISABILITIES
at Utah State University

In the past few weeks, we have been asking for feedback on our web site; something we must have to make any changes or updates that we need to maintain our high quality web site.

We want to thank all those who responded. Here are a few of the comments we received:

"Site looks awesome as usual."

"I especially like the blog posts. They are a good look into what the CPD is doing."

"I love the new layout (the blog has a new look)! Everything that is needed is right there. Way to go."

Along with these wonderful, positive comments, we also received some suggestions that we are addressing:

- 1) Making it easier to find the CPD Staff List by replacing *"BLOG/NEWS"* with *"MEET OUR STAFF"* at the top of the CPD Home page.
- 2) Adding a line on the CPD Intranet log-in page beneath the *"Remember me"* explaining how that works. (This is for CPD staff only.)

We want to encourage our readers to give us your feedback if you haven't already. It is easy to find--at the bottom of our CPD Home page; just click on the *"Feedback"* button. We would especially invite you to take the one-second survey on the right hand side. And please leave any comments you have for us.
